Binder Routines

- Model how to set up your binder
- Be specific about what you want to see and not want to see
- Check in frequently throughout the year
- Grade the binders with binder quizzes

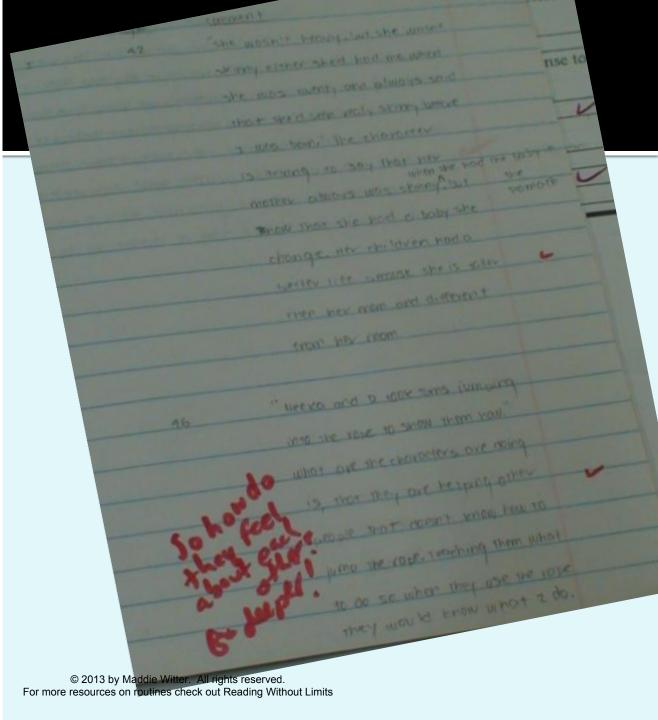

Student writes all of their work in pencil

Feedback reflects positive comments and gives students feedback to make their work better.

Handwriting is neat from student. If they make a mistake, they erase it.

Do Nows and other handouts are neatly answered.

All directions are followed.

Student always fills in their heading

Student keeps other class work in their binder

Student doesn't include a proper heading

More often than not, when a student has a disorganized binder, they miss homework, and lose things easily.
