

Asking and Answering Questions

Directions: Great readers ask and answer questions as they read. There are two types of questions that great readers commonly ask:

1) **Clarifying questions:** These questions usually have one answer, and most of the time you can find the answer in the text.

Ex) *Which district is Katniss from? I can't remember.*

2) **I wonder questions:** These questions often have multiple answers. Often, there is no right answer to these questions.

Ex) *Why did Stanley go to Camp Greenlake even though he didn't commit a crime?*

In the thought bubbles below, write down your questions as you read. Check off if it's a **clarifying** or **I wonder** question.
